museum of
innovation and science

Join us for a **Teen Science Cafe** presentation on spaceflight and the human body by **Dr. John Charles and Dr. Heidi DeBlock**. The evening will start with food and conversation (6 - 7pm) followed by the presentation and discussion (7 - 8:30pm). The activity will be held at miSci, 15 Nott Terrace Heights, Schenectady, 12308.

Teen Science Cafes are student-run and organized and meant to be fun and informative to non-specialists.

All teens are welcome.

While not required, RSVPs are appreciated.

Please register online, by calling 382-7890 x 237 or emailing teen.science.cafe@misci.org.
