

# alumni **NOW**

a group exhibition of niskayuna art alumni  
1996 - 2007

november 16, 2009 to january 28, 2010

## **CALL FOR ENTRIES**

Postmark Deadline: **FRIDAY SEPTEMBER 19, 2009**

The NISK-ART Gallery is currently seeking submissions from art alumni from the graduating classes of 1996 – 2007 who are either currently working in the field as a professional artist or enrolled in a college-level art degree program.

**alumni NOW** will feature new work in any medium that will fit within the gallery showcases. Artists should submit five images on a CD: jpeg 72 dpi, image size no larger than 800 x 800 pixels or 4" x 4." We will be requesting larger files for publicity purposes. All images should be clearly identified and correspond to the entry form. All work submitted for consideration should be available for exhibition and be appropriate for a public school setting. For filmmakers and video artists, alumni should submit a DVD that includes work where each piece is no more than 10 minutes. The Nisk-Art Gallery Club members will choose work for the exhibition from these materials. A short biography, artist's statement (if you have one), and résumé noting the artist's exhibition history and the location of work in public or private collections should accompany the visual materials in hard copy and on CD.

Alumni artists who are selected to participate in alumni NOW will be contacted by the Nisk-Art Gallery Club regarding the choice of specific work(s) for the show. More than one piece may be chosen depending on space. Artists whose work is not selected for the exhibition will be notified by mail; application materials will be returned in the self-addressed, stamped envelope.
