

Red Ribbon Week

October 20th-24th 2014

Red Ribbon Week is a United States education and prevention initiative to raise awareness about the dangers of drugs and alcohol. During **Red Ribbon Week**, the initiative encourages students nationwide to make a pledge to live drug and alcohol free. **Red Ribbon week** serves as a Catalyst to mobilize communities to educate youth and to encourage participation in drug prevention activities

The Niskayuna Central School District will be celebrating Red Ribbon Week from October 20th to 24th 2014. This is the first time that the District has participated in **Red Ribbon Week** and we are looking forward to a successful event.

Each school in the district is participating; from our youngest Kindergarteners, to our young men and women in the high school, preparing for the next chapter in their lives.

The National theme for this year is, 'Love Yourself-Be Drug-Free'.

Look out for fliers coming home with your students and updates on specific events on our website. For more information about Red Ribbon Week go to www.redribbon.org or <http://www.madd.org/underage-drinking/red-ribbon-week/>
