## **SECTION III - TERMS AND CONDITIONS**

1. The issuance of this RFB request constitutes only an invitation to submit a response to the District.
2. No officer of the school district or member of the Board of Education shall have interest in this bid.
3. This Bid request does not commit the District either to award a contract or to pay any costs incurred in the preparation of a submission. Bidders shall bear all costs associated with submission preparation, submission and attendance at presentation interviews, or any other activity associated with this bid request or otherwise.

4. All bids and accompanying documentation become the property of the Niskayuna Central School District. The District shall not divulge any information presented to anyone outside the District, unless required by law, without the written approval of the individual or firm. The District reserves the right to use the information and any ideas presented in any submission in response to this RFB request, whether or not the submission is accepted. Submitted bids may be reviewed and evaluated by any person or outside consultant retained by the District, other than one associated with a competing applicant, as designated by the District. If a bidder believes that any information in its bid constitutes a trade secret and wishes such information not be disclosed if requested by a member of the public pursuant to the State Freedom of Information Law, Article 6 of the Public Officers Law, the bidder shall submit with its bid a letter specifically identifying the page number, line or other appropriate designation, that information which it deems to constitute a trade secret and explain in detail why such information is a trade secret. Failure by a bidder to submit such a letter with its bid identifying trade secrets shall constitute a waiver by the applicant of any rights it may have under Section 89 (Subdivision 5) of the Public Officers Law relating to protection of trade secrets.

5. If applicable, it is incumbent upon the contractor(s) to pay the prevailing rate of wages as established by the NYS Department of Labor.

6. Prevailing Wage Rate as part of the requirements of Article 9 (sections 230-239) of the NYS Labor Law, requires Public Work Contractors and Subcontractors to pay laborers, workers or mechanics employed in the performance of a Public Works contract not less than the prevailing rate of wages and to provide supplements (fringe benefits) in accordance with prevailing practices in the locality where the work is performed. Any Federal or State determination of a violation of any Public Works law or regulation, or Labor Law, or any OSHA violation deemed "seniors or willful" may be grounds for a determination of vendor non-responsibly and rejection of bid.

7. If applicable, the Contractor must provide a copy of payroll records, when requested, showing prevailing wages paid to each employee for any School District project.

8. The District neither makes nor assumes any contractual obligation by issuing this RFB request, receiving and evaluating responses, or making preliminary bidder selections. Providing a response as provided herein shall neither obligate nor entitle a bidder to enter into a contract with the District.

9. The District reserves the right to determine in its sole and absolute discretion whether any aspect of the bidder's submission satisfactorily meets the criteria established in this RFB request, the right to seek clarification from any Bidder(s), and the right to cancel and/or amend, in part or entirely, the RFB request, at any time prior to a written contract.

10. It is understood that any submission received and evaluated by the Niskayuna Central School District will be used as the basis for the cost and terms of a contract between the District and the particular bidder. In submitting a response, it is understood by the bidder that the District reserves the right to accept any submission, to reject any and/or all submissions and to waive any irregularities or informalities that the District deems is in its best interest.

11. The District is not obligated to respond to any submission nor is it legally bound in any manner whatsoever by the submission of a response.

12. Each response shall be reviewed for completeness and for the technical and administrative requirements of the RFB request. The District has the option of requesting the bidder to submit missing information or provide clarification of those issues deemed incomplete, or disqualifying the bid. A bid may be disqualified for lack of response to such a request.

13. RFB's submitted to the District must be valid for a period of at least 120 days from the deadline for receipt of bid responses as defined in the time frame section of this document.

14. The selected bidder's bid will become part of any resulting legal contract, should contracts be awarded. The term of the resultant contract shall commence upon award and shall remain in effect until completion, inspection, and final acceptance of specified project(s) unless terminated, canceled, or extended as otherwise provided herein.

15. The District may, from time to time, inform other local governmental entities and school districts that they may acquire items or services listed in this Request for Bids. Such acquisition(s) shall be at the prices stated herein, and shall be subject to bidder's acceptance. Other local government entities or school districts purchase orders shall be submitted directly to the vendor within the specified contract period referencing the District's contract. Niskayuna Central School District will not be liable or responsible for any obligations, including, but not limited to, payment, and for any item ordered by an entity or school other than the Niskayuna Central School District.

16. When specifications are revised, the Niskayuna Central School District will issue an addendum addressing the nature of the change. Bidders must sign and include it in the returned bid package.

17. It is a requirement that bidders indicate specifically in the response any sub-contract, alliance, partner, franchise, or other "non-employee" relationship with any resource(s) they will utilize if they are chosen as the selected bidder. Note: The District reserves the right to approve and designate sub-contractors to be used in any of the services being proposed.

18. Niskayuna Central School District reserves the right to introduce additional factors not contained in this RFB request in order to obtain the most suitable solution. After submitting a bid, each respondent must be prepared to have the operational aspects of their bid reviewed in detail by District representatives.

19. Bids shall be opened publicly at the District's Business Office location, or other duly designated location, on the "received by" date and time indicated on the cover page. The name of each bidder shall be read publicly and recorded. Unless disclosure of final bid pricing would constitute an impairment of negotiations, the proposed bid, cost, or sum of each proposer will be read publicly as well. The content of bids shall not be subject to public inspection until after contract award. Subsequent to contract award, bids may be reviewed unless they, in total or in part, contain information which is exempt from disclosure pursuant to the Freedom of Information Law (e.g. a trade secret).

20. At any time prior to the specified bid due time and date, a bidder (or designated representative) may withdraw their bid.

21. The District reserves the right to award contracts for individual projects or for any combination of projects deemed to be most advantageous to the District. Notwithstanding any other provision of the RFB, the District expressly reserves the right to:

- Waive any immaterial defect or informality; or

- Reject any or all bids, or portions thereof; or
- Reissue an invitation for bid.

22. The District Board of Education reserves the right to award a contract in the best interest of the District. The Board of Education's decision will be final.

**Bidders Default – Failure of the Bidders to comply with any of these provisions may be considered a reason for rejection of the Bid.**
