**Request for Proposals NCSD-26-011
Universal Prekindergarten Program**

Addendum #2: Questions and Answers

By issuing this document as Addendum #1 to the Request for Proposals (RFP) NCSD-26-011, the information contained herein is formally incorporated into and becomes a binding part of the RFP.

Questions & Answers

1. *Recognizing licensure and certificate requirements (as clarified in Addendum #1), do proposing agencies need to have hired Universal Prekindergarten teacher(s) at this time and identify the teacher in their response?*

District Answer: No, potential community-based organizations do not need to have hired PreK teachers at this time and identify the teacher in their proposals. It is understood that agencies may wait until the outcome of the RFP process for program hiring. Following the RFP process, any awarded community partner(s) must ensure that staff meet the staff requirements outlined in Addendum #1.

2. *Is there any provision in this RFP for the district to provide space in its own facilities for a community-based provider to operate a PreK program?*

District Answer: No, the RFP does not provide for the use of District facilities for Universal Prekindergarten; it is intended for proposals from community-based organizations that are providing the space for the program.
